Cricket NL Wishingwell Nets and Flyers Field Bookings

The Vice President (VP) of Cricket NL or a designated individual is tasked with assigning permanent slots to each team for weekday evenings and weekends. Every team representative or captain can submit two preferred slots for weekday evenings and two for weekends for the initial two months of the season. Cricket NL will strive to accommodate these preferences, although flexibility is encouraged as it may not be feasible for every team.

After the initial two months, teams will be requested to resend their preferred slots, and Cricket NL will reassess the requests and reallocate the slots accordingly.

Cricket NL aims to assign at least one evening slot and one weekend slot to each team at Wishingwell. Additionally, when Flyers Field becomes available (subject to ground conditions), an extra weekday evening slot will be allocated to all teams.

Time slots to Select:

- Any member in good standing can use the Nets facility when not booked by a club or Cricket NL but should book times or provide notice to Nets calendar/Bookings Managing Committee through board members, or club managers or captains to avoid conflicts and to ensure Cricket NL is aware of who is using the nets.

- Cricket NL reserves the right to ban any member from using any cricket facilities.
- if they have been found abusing or misusing them. This could be a single incident or multiple events based on the severity of the event.
- The Cricket NL discipline policy applies to the nets facility.
- Please note that from time to time, Cricket NL may need to adjust bookings due to weather conditions or availability, to accommodate provincial team practices.
